### Invitation

You are invited to attend Greater Manchester Youth Network's event to see how we have helped young people and organisations to participate, develop and achieve during 2011. The event is being delivered by young volunteers and will include presentations, round table discussions on needs of young people and developing youth participation, plus a chance to find out more about GMYN and steer its future delivery.

With hot food and plenty of chance for networking, this is a great chance for you to meet young people and other organisations to look at new opportunities.

Spaces are limited so we would appreciate if you let us know ASAP if you can make it. We look forward to having you there!
